

Prioritize Improvements

Prioritized Projects

1. Kanban Supermarket (JDI) (JUST DO IT) out of SMT
2. Coil Prep (JDI)
3. Kaizen for hand assembly continuous flow cell
4. Improve uptime for test systems (JDI)
5. Increase capacity in testing (JDI)
6. Improve yield at final test (Lean 6 Sigma DMAIC)
7. Kaizen for conformal coating continuous flow cell
 - a. Kanban supermarket feeding the cell
8. Hand trimming of labels, eliminate this process (JDI or Kaizen)
9. Implement Future State with reduced headcount (Kaizen).
10. Implement Skills Matrix and P.A.C.E. to manage staff (Kaizen).
