

Secrets to Success in VS Improvement

- Leverage great benefits from the platform of your maturity level / Lean Culture.
 - You may need support from an expert.
- Don't skip the fundamentals (1st level)
- Work within a framework, but plan to apply innovative thinking (flexibility & creativity).
- Appreciate the sensitivities of VS managers & staff.
- Good VS data drives the compelling message for change.
- Don't overwhelm your staff – activity vs. results.
- Climb the pyramid to build Lean culture.
- Show and celebrate results.
