The screenshot shows the eVSM Applications interface. At the top, there is a navigation bar with links like Home, eVSM Applications & Help, Blog, Clients, Quotes, Shop, Downloads, Support, Services, and My eVSM. Below this is the 'eVSM Applications' header. The main content area displays a 'Gradebook for Plant Level Mix Manufacturing VSM' for user Herman Ranpuria. The gradebook table is as follows:

Course	Time (Hr)	Exercises Complete	Completed Exercise Grade %	Passing Grade %	File	Date Started	Date Finished
Fast Draw	1	42%	92%	75%	Download	10-Sep-2020	Incomplete
Time Maps	4	100%	100%	75%	Download	10-Sep-2020	10-Sep-2020
Mix Manufacturing Maps Short	4	6%	60%	75%	Download	19-Oct-2020	Incomplete

The screenshot shows a lesson interface for 'Fast Draw: Lesson 1/1: Fast Draw'. The user is identified as hr@gumshoeki.com. The lesson content includes an exercise: 'Ex 1 of 12: Adding the Material Flow'. The instructions are: 'Overlay the pink shapes with the 'Operation Shapes' and 'Inventory Shapes' from the 'eVSM Fast Draw' stencil'. Below the text is a control bar with icons for help, email, search, chat, play, and a 'Grade It!' button.
